

Price list Mattissonbass 2014 list

Prices are without VAT

Short info:

We ship world wide with FedEx

Series I: Bolt on construction, 21 frets. One or three piece neck construction. Straight headstock

Series II: Bolt on construction, 24-26 frets. One, three or five piece neck construction. Angled headstock

Series IIc: Same shape as Series II but neck through construction. Three, five, seven, nine or eleven piece neck construction.

Series III: "Fullerton" Our traditional "Fender© look". Otherwise as Series I

Series IV: Single cut, much the same construction and options as Series IIc, but single cut. Our single cut has 4 version:

normal	extra	extreme	laidback
Body meets neck around 12 th . fret	Body meets neck around 9 th . fret	Body meets neck around 7 th . fret	Upper body half "leans" back at neck

Series C: (Custom) You can order just about anything.

All models can be ordered in 31", 32", 33", 34", 35" or 36" scale at no extra charge.

Left handed at no extra charge.

All models can be ordered in different body thicknesses as follows:

Slimboy	Normal	Fitboy	Fatboy
35-40 mm.	40-45 mm.	45-50 mm.	50-60 mm.

Hardware mainly from Hipshot or Schaller

Pickups mainly from EMG, Aguilar, Lundgren or Delano depending on model.

Standard finish is a hand rubbed special oil and wax procedure.

We have a big variety of woods, not listed here.

The price list below is for a “basic” bass of each model. That means it’s without a preamp and extra top wood etc. but preferred by many. However, listed last for every model is a 5-string “**most common order**” referred to as ***mco***.

Here is an example on how to read the list. The example is for the Series IV 6-string “laidback” as it starts and adds from options to what is the new Henrik Linder signature bass.

Example:

Series IV	SEK	USD
6-str.	38000	5900
6-str. “laidback” as Henrik Linders with preamp, masur birch or wenge top, matching headstock, “A-tuner”,ramp etc.	53000	7900 <i>(5900+810+800+130+100+160)</i>
Henrik Linder signature. As above with True Temperament frets	62000	9150 <i>(7900+1250)</i>
